

OLIFANTSKRANS *River Cabins*

Olifantskrans offers a sanctuary, 18km from Robertson and Bonnievale, where the power of rushing water has created unique rock formations through the ages.

Experience a natural swimming pool 20m from your front stoep and wildlife inherent to the Breede River Valley and its surroundings. A waterfall, created by Italian Prisoners of War perfects this little piece of paradise, which is run in an organised and professional manner by its owners.

FACILITIES

Olifantskrans offers fully equipped self-catering cabins and cottages. Each cabin has its own lapa for braaiing - indoor braai on stoep. A canoe and tubes are available for river activities.

ACTIVITIES

Canoeing, swimming, fishing, bird-watching. Cycling the circle route from the cabins to Bonnievale and back (35km). Wine tasting at wellknown cellars within a radius of 5 km.
